## Tape-In & Beaded Hair Extensions

This class is designed to introduce stylists to the Tape-In and Beaded methods of hair extensions, including I-Tip and Flat Tip, in one class.

Monday, August 20th

10:00 am - 1:00 pm

This class is designed for stylists that are new to the extension category. This is our most requested type of training for extensions. Participants will get some hands-on experience in applying the extensions. They will also leave with marketing strategies, ways to make the most money possible for their time and how to boost their career.
