Keratin Complex again revolutionizes the beauty industry with Personalized Blow Out Same Day Keratin Treatment! This customizable, zero-downtime treatment is powered by K-Pure Juice™, a proprietary juice blend of keratin, botanicals and amino acids. Personalized Blow Out caters to today's trend of embracing one's own natural hair texture by offering different finish options — from straight to smooth to curly.

This class will demonstrate how Personalized Blow Out can take your smoothing business to the next level!

The Personalized Blow Out class will:

- Present Keratin Complex's customizable treatment that has the ability to smooth and straighten hair or define curl.
- Show how Personalized Blow Out can tame frizz, increase manageability and preserve the hair fibers' mechanical strength for up to three months.
- Explore the unique benefits and ingredients behind K-Pure Juice and PhytoFruit Blend™.
- Keep you up-to-date with the latest in smoothing trends.
