### **Metamorphosis Color Correction**

Master the art of color correction and learn how to identify and solve everyday color challenges from the simple to the complex. Using real-life scenarios, you will learn when to decolorize, when to fill, advanced corrective formulation with application and placement and tonal changes. Too light? Too dark? No problem!

**Educator: Jeremy Stevens**

### **Mastering Smoothing Techniques**

Take your smoothing knowledge and skills to the next level with this Look and Learn or hands-on class. Learn beyond the bottle techniques like creating volume, movement, and texture customizing our smoothing treatments for your clients.

**Educator: Paul Dobbert**

### **Enhancing the Palette**

You have to know the rules before you can bend them! Master the cause and effect of color placement utilizing patterns, formulations and skillful applications. Leave inspired with salon-friendly techniques — from black to blonde and everything in between — to enhance your creativity.

**Educator: Paul Dobbert**
