## Revamped. Reenergized. Reimagined.

Mastery in Motion is the ultimate extension experience for stylists ready to elevate their craft and business.

This immersive, hands-on program expands on our original Mastery Tour with the latest methods, techniques and strategies to keep you ahead of the curve.

You'll master Tape-In, Sew-In Weft, Fusion and Quick Fit Tape Weft applications plus explore Extension Solutions and Hybrid Applications that open doors to new income opportunities.

**START THE CONVERSATION** with your existing clients, introducing express services and customized solutions that fit their lifestyle and budget. Learn how to position extensions as a natural upgrade during consultations, highlight benefits like added volume or length and confidently recommend options that enhance their look without overwhelming their routine.
