

Mastering Aesthetic Hair: Cutting While Enhancing Color

Learn the "why" behind haircutting in this foundational class designed to elevate the way you approach hair behind the chair. Focused on seamless layering, internal movement, and intentional structure—this class will teach you how to create haircuts that enhance and support your color sessions. Built for the every day modern salon, you'll leave with techniques that translate effortlessly into real client results - refined, effortless, and rooted in aesthetic hair.

Mallory McClure
Milbon Color Ambassador
@mallorymcclurehair

About Mallory: Mallory McClure is a Texas hair stylist specializing in modern haircutting and aesthetic color enhancement through intentional techniques. Mallory is inspired by the aesthetics of fashion, art and luxury elements that are reflected in her work, allowing her to create modern color and haircuts that are on trend but also timeless.
